WILEY X OCCHIALI TATTICI A PROTEZIONE BALISTICA MOD. NERVE GOGGLE

Code: WY-R8051**Brand: Wiley X****Frame**

Compact ballistic goggle with a matte black or tan frame. The tactical strap has Tri-Glide™ System to adjust length and quick release key connections. Two lens packages which includes a Smoke Grey and Clear lens and makes it easy to switch lenses in the field to adapt to changing environments, tactical situations and light conditions. Compatible with the Wiley X ARC Rail Attachment System (RAS) which provides you the secure comfortable fit when using your tactical helmet. The Wiley X RAS gives you the stability you need when using a goggle without risking the goggle strap to slide off the back of the helmet.

Smoke Grey

Absorbs all colours equally which preserves the same colour perception as without sunglasses. **Perfect in bright light conditions.** Maximum glare reduction. The polycarbonate lens is shatterproof and the surface is protected by scratch resistant layers. Blocks 100% of the sun's harmful UVA and UVB rays.

Clear

Protects the eye and the surrounding tissues/structures. The polycarbonate lens is shatterproof and the surface is protected by scratch resistant layers. Maximum light transmission makes you see the precise color values. **Hazy or overcast, dusk/dawn conditions and indoor use.** Blocks 100% of the sun's harmful UVA and UVB rays.

Shatterproof Selenite™ Polycarbonate Lenses that Meet the MIL-PRF-32432(GL) Ballistic Standards. ANSI Z87.1-2010 High Velocity and Mass Impact Standards, and EN 166 B Resistance to High Speed Particles, and US Federal OSHA 1910.133(b)(1) (i) Standards. Spheric™ Lens Design for Unmatched Field of Vision 100 Percent UVA/UVB Protection with Distortion Free Clarity. T-Shell™ lens coating resists scratching in extreme environments. Foil™ Lens Coating Provides Anti-Fog Protection. Sleek Design that is Night Vision Goggle (NVG) Compatible.

Low Profile that Fits a Wide Array of Head Sizes. Rx Insert Kit (R-8051X) Available Separately.
