XGO CREW SHIRT UNISEX FLAME RESIST PHASE 2

Code: XG-2F11A**Brand: XGO**

FIRE-PROOF unisex shirt with long sleeves & round neck.

XGO FLAME RESISTANT is of US production with Acclimate® F.R. a breathable fiber and at the same time resistant to exposure to flame and heat. All XGO FLAME RESISTANT jerseys are built with 80% Acclimate dry Flame Retardant Protex® fibra which resists and does not lose its characteristics even if washed repeatedly, the Acclimate dry hollow fiber are enclosed in the F.R. which always remain unchanged.

20% is made up of the F.R. Lenzing F.R. The shirts are all treated in order to guarantee Scent Prevent® antibacterial protection.

The flat seams do not scratch in contact with the skin, the perspiration eliminates internal moisture in contact with the body.

The back with an extended design gives greater protection to the back guaranteeing greater protection.

Unisex FIRE-PROOF shirt with long sleeves & round neck

ANTI-FLAME technical fabric.
