Weapon Holsters and Accessories

BLACKHAWK Serpa Tactical Level 3 Holster for Beretta 92/96

Code: BH-430604BK-R-B

Brand: Blackhawk!

The SERPA Level 3 Tactical Holster is our highest level of function, retention and security. It's perfect for high-threat environments and tactical operations.

The drop-leg configuration is an ideal holster location.

The thumb-activated pivot guard and SERPA Auto-Lock release secures the weapon at Level 3 retention, releasing only when the buttons are depressed during the draw cycle.

- LEVEL 3 RETENTION – Thumb-activated Pivot guard gives highest level of weapon security, won't lock while pistol is unholstered
- LEVEL 2 RETENTION – SERPA Auto Lock solidly secures firearm, only releases during draw cycle
- LEVEL 1 RETENTION – Passive retention detent adjustment screw aids in weapon retention
- RELIABLE – Full-length holster body protects rear sights
- VERSATILE – Flexible thigh platform conforms to leg size
- CONVENIENT – Y-harness suspension system distributes weight evenly, keeping holster vertical and enabling use of pants pocket
- ACCESSORIES – Mounting points for pouches, knives, mag cases, etc.
- MODULAR – Fits all BLACKHAWK injection-molded platforms
