Tactical lights

STREAMLIGHT TLR-VIR TACTICAL ILLUMINATOR

Code: SL-69180**Brand: Stream light**

Lightweight, compact, weapon-mounted tactical light with integrated IR LED.

- Illumination sources:
 - Visible white LED, impervious to shock with a 50,000 hour lifetime
 - 300 lumens; runs 2.5 hours; 12,000 candela peak beam intensity
 - Deep dish parabolic reflector produces a concentrated beam with optimum peripheral illumination
 - Infrared illuminator - 850 nm LED. Shock-proof with a 20,000 hour lifetime
 - 1000mW/sr (min) radiant intensity providing optimum illumination when using night vision equipment; runs 20 hours
- Solid-state current regulation for consistent illumination level
- 6000 series anodized machined aircraft aluminum body with high impact, chemically resistant engineering polymer IR LED housing
- High temperature, shock-mounted, impact resistant Boro Float glass with anti-reflective coating
- Tactile indicator on IR LED housing identifies IR illumination position
- Long gun model securely fits all long guns with MIL-STD-1913 rails and features a momentary/ steady on-off switch with plug port for momentary remote switch
- Three position mode selector switch (IR Illumination, Safe OFF, Visible Illumination)
- User programmable strobe enable/disable; double-tap paddle switch to enable strobe function
- Operating temperature: -40°F to +150°F
- IPX7 rated design; waterproof to 1 meter for 30 minutes
- Powered by two 3V CR123A lithium batteries (included)
- Dimensions: 3.82 in. (9.70 cm); 6.0 oz (170 grams) with batteries, retained lens cap and remote switch
- Lithium Battery Notice under TECH DOCS
- Limited lifetime warranty
- Assembled in USA

Weight: 258 grams

Weight (Kg): 0.26
