EXTREME-STRETCH JACKET WITH KEVLAR INSERT

Code: D5-BR2479**Brand: Defcon 5 2024**

Multifunction jacket in polyamide fabric stretch in the warp and weft textile direction (bi-stretch), with 1 zip front for the opening, 2 zips and pockets on the arms, 2 zips and pockets on the front and on the low front part of the jacket and 1 zip on the outer side of its collar having a makeshift hood into it. "Special" and abrasion resistant (KEVLAR) stretch fabric reinforcements have been applied on the jacket forearms and shoulders. The jacket wrists are finished with an elastic band and loop on the sleeve final part. The jacket seams have been reinforced by using a 3 needles sewing machine and by a cover with a polyester filament yarn having the same color of the main fabric. **Made of:** 90% polyester + 7% elastane +3% aramid.
