DEFCON 5 DOUBLE MIX POUCH

Code: D5-LAS_M4PALC

Brand: DEFCON 5 SHADOW

The pouch has been designed to respond to the ever-growing need of operators equipped with two weapons. It is compatible with most of the clips for assault rifles from 5.56x45 mm and 7.62x39 mm & 9 mm. The mixed tactical pouch M4/PALC can be fixed on every MOLLE system. The pouch may also contain flashlights, knives, multifunctional pliers etc. It is possible to adjust the resistance to extraction by a rubber band. The rubber band with the sewn tab, positioned on the top of the pouch, offers an additional security during the transportation, making the pouch compatible for TAP units – it is rapidly detachable. The accessories, thanks to their quality, design and ergonomics, are perfectly compatible with the plates carrier and the MOLLE belt. The charger pouch for assault rifles, was designed to be compatible with the inserts (optional) KYDEX of TRB Holsters society.
