DEFCON 5 BASIC PANT

Code: D5-3453

Brand: Defcon 5 2024

The pant mod. BASIC (60 % cotton - 40 % polyester) is a garment that respects the main elements typical of the tactical trousers but at the same time approaches a more civilized cut, thus giving the possibility to wear it to a wider audience.

In fact, the trousers have a more "dry" wearability that fits well with an exercise or walking shoe.

They have two spacious multi-purpose pockets with velcro closure, the upper pockets have reinforced edges for attaching knives, multi-purpose pliers, etc.

A rear elastic allows you to increase comfort and fit in different sizes.
