Eyewear

WILEY X BALLISTIC TACTICAL SUNGLASSES MOD. ROGUE COMM SMOKE WITH 3 LENSES AND BLACK MATTE

Code: WY-ROGUE COMM 2852

Brand: Wiley X

WX ROGUE COMM sets a new standard for protective eyewear. The thin COMM temples in a curved temple system fits perfectly under your earmuffs or other ear mounted communication devices, and combined with the 360° adaptable nose piece, the semi-rimless design, and the lightweight frame, you are ensured a constantly comfortable fit. WX ROGUE COMM comes with three colors of interchangeable lenses, making it ideal for any light conditions you might encounter, ensuring your focus all day long no matter what.

Grey lens :

The grey lenses absorb all colors equally, making them preserve the same color perception as without sunglasses. They are perfect in bright light conditions, they ensure maximum glare reduction, and are perfect for all outdoor sports in bright conditions, including golf, running, and cycling.

100% UVA/UVB protective

Clear lens :

With these lenses you get maximum light transmission, making you see the precise color values. Ideal for hazy or overcast weather, as well as dusk/dawn conditions and indoor use. Perfect for indoor sports like squash, tennis, handball, and futsal, and hunting in the early hours.

100% UVA/UVB protective

Light Rust lens :

The light rust lenses filter out most blue light waves (HEV), which is the key component of glare and haze. They enhance contrast in medium to low light conditions, making them ideal for many outdoor and indoor activities, for instance: hunting, running, cycling, skiing, snowboarding, basketball, handball, and tennis.

100% UVA/UVB protective

HIGHLIGHTS :

Elastic Strap with Rubber Tips, Adjustable Nose Piece, COMM Temples, Interchangeable Lenses

PRESCRIPTION LENSES :

Can be made with prescription lenses, using a Prescription Insert (PTX).
