Surefire Helmet Lights are an excellent product, but are often limited to helmets. The SFHL mount allows cost-effective use of the light on ball caps, vehicle sun visors, etc. without purchasing expensive additional lighting. Just transfer light from helmet to ball cap wherever hands-free illumination is desired. Takes full advantage of all the Helmet Light LED combinations Surefire has to offer.

The SFHL mounts in a flash to all ball caps or brimmed hats. Molded in 3 colors (black, flat dark earth, and foliage green) to match most caps. Comes with detailed instructions. Proudly made in USA.
