WILEY X MOD. BOSS POLARIZED AMBER GOLD MIRROR KRYPTEK® HIGHLANDER® FRAME

Code: WY-CCBOS12

Brand: WILEY X

Frame

A Kryptek® version of our popular WX BOSS Climate Control model.

It combines our advanced Polarized Amber Gold Mirror lenses with a frame dressed in Kryptek® Highlander® camouflage, which unlike traditional leaf and stick camouflage incorporates micro and macro layering inspired by artillery camouflage netting. The result is 3D like surface with increased stealth appearance in mixed terrain.

Complete with almost unbreakable Triloid™ nylon frame and removable Facial Cavity™ Seal.

This model won Best New Eyewear Product at the European fishing show EFFTEX 2017.

Lens

The Polarized Amber Gold Mirror lens provides supreme vision in both sunny and low light conditions; it is like slipping into a high definition world.

Besides from premium optics this lens delivers certified shatterproof protection, absolute glare reduction and the advanced Wiley X Filter 8™ technology.
