WILEY X REBEL POLARIZED GREEN REALTREE XTRA® CAMO FRAME

Code: WY-ACREB07

Brand: WILEY X

Frame

Realtree Xtra® Camo Frame and Polarized Smoke Green Lenses give you the perfect formula for protective eyewear granting safety to your eyes.

The rubber injected nosepiece will always provide you with a fantastic grip – no matter how hard you test gravity.

Lens

The polarized lens provides the user with a better vision and allows the eyes to feel more comfortable and well rested. Most users will find polarized lenses immensely helpful in improving the clarity and quality of their daytime vision.

Polarized Wiley X lenses reduce glare and the special material and filter makes it easier to see into the water and therefore also makes it ideal to watersports.

The Wiley X Filter 8™ Polarized Smoke Green polycarbonate lenses offer maximum glare reduction without distorting colors. Great for general daytime use.

The WX polarized lenses provides 100% UV protection and is coated with hydrophobic and anti-reflective coating protected by the T-Shell™ scratch resistant layers.
