Tactical lights

**MACTRONIC NIGHT HUNTER 03 -
FLASHLIGHT WITH FOCUS AND WIDE
RANGE 1150 LUMENS 3400 mAh**

Code: MAC-THH0232

Brand: Mactronic

The Night Hunter's large reflector and lens work in tandem to throw a sharp beam for up to 391m, even while exploiting the light's wide flood function. Its 1150 lms packs the power, depth and long range of a searchlight into a handheld or weapon mounted flashlight, making the Night Hunter a favorite with border patrols in a lot of countries. The blinding beam disorients opponents, giving you an edge in all confrontations. Available in both a rechargeable and battery versions.

Weight: 540 grams

Weight (Kg): 0.54
