# **MACTRONIC TRACER UV - TACTICAL UV LED FLASHLIGHT 1000 LUMENS 3400 mAh**

**Code: MAC-THH0125****Brand: Mactronic**

Tracer UV, a handy tactical flashlight, is a perfect solution for professionals who need a convenient device for emitting high power UV light. Designed and created for professional whose job involves the use of this type of light. The durable and handy design works especially well even in the hardest conditions. The flashlight stands out with its 1,000 lumens beam and UV light, emitted at 365 nm wavelength, and is guaranteed to satisfy even the most demanding operators. Thanks to the additional high power Li-Ion battery, this model max operating time is 22 hours.

Weight: 280 grams
