Tactical lights

Universal charger - USB - 230V/12V

Code: MAC-0014

Brand: Mactronic

Universal battery charger manufactured by Mactronic. It has been adapted to recharge batteries of various sizes. It is the perfect tool for any active person using battery powered equipment such as flashlights, walkie-talkies or other electronic equipment.

The charger in the set has standard plug 230V (5V / 1A) and car adapter 12V (2 x 2.1A), for charging the batteries while traveling. The charger is connected to the power supply via the USB cable.
